**Leading North American and Latin Retailers Honor Vendors
of Consumer Technology at RetailVision® Fall 2007**

Bedford, NH, Sept. 7, 2007 — Top 100-level retailers from across North America joined top retail executives from Latin America to recognize technology provider companies for their innovation and channel strategies at the "Best of RetailVision Awards" held during the RetailVision Fall 2007 Event, September 4-7 at the JW Marriott Desert Ridge Resort & Spa in Phoenix, Arizona. This awards program once again represented one of the leading industry honors for companies in the consumer technology marketplace.

The attending retailer executives voted on the winning products from the vendor companies. Retailers and vendors come together at the event to discuss the latest technology products and assess channel partnership opportunities in Private Boardroom Appointments, One-on-One Meetings, World Premieres, and networking activities.

"RetailVision has been fueled by the incredible innovation that drives the consumer technology marketplace," said Pete Prentice, Senior Global Director, RetailVision. "These awards recognize the industry's newest wave of technologies and strategic initiatives, and every winner and nominee is chosen by the retailers who showcase and sell products to millions of North American and Latin American consumers."

The Winners of the “Best of RetailVision Awards” Fall 2007 are:

Best Product: Digital Home - **WiLife**

Best: Product: Hardware - **Loc8tor Ltd**

Best: Product Peripheral - **logear**
